Dear Mr. Hagedorn,

The Indiana Department of Transportation (INDOT) has concluded the evaluation of the REFLEX BACK Universal Package Dual Flex Barrier Delineator, under the barrier delineator category in ITM 806. Based on the findings of our evaluation we are pleased to inform you that the REFLEX BACK Universal Package Dual Flex Barrier Delineator is **approved** for use in Indiana and will be added to INDOT's QPL for delineators.

Pursuant to ITM 806, INDOT should be notified of any changes to the product design or manufacturing, as depending on the nature of the change, resubmission for additional testing may be required. Also, INDOT reserves the right to remove the model from the list should the model be found to not function properly or have other issues.

INDOT appreciates your commitment to ensuring that proper traffic control devices are used in the State.

Sincerely,

David H. Boruff
Manager, Office of Traffic Administration
